Additionally, FIFA 22 uses "EA SPORTS Elite" Engine, a new game engine that delivers more than three times the graphical intensity of FIFA 19 on the same hardware. EA SPORTS Elite is powered by NVIDIA's next-generation GPU technology — the NVIDIA Pascal™ architecture — that enables groundbreaking realism, lifelike physiques and the stunning visuals of the new engine. FIFA® 20 (PRODUCT) Release Date: October 19, 2019 Players: 32 Available On: Xbox One, PlayStation® 4, PC Platform: Xbox One, PlayStation® 4, PC Genre: Sports FIFA® 20 (PRODUCT) Release Date: October 19, 2019 Players: 32 Available On: Xbox One, PlayStation® 4, PC Platform: Xbox One, PlayStation® 4, PC Genre: Sports FIFA® 20 FIFA® 20 introduces "Dynamic Tactics," a new AI system that creates real-time game situations based on player actions to make all-new decisions during gameplay. Whether through ball control or skill moves, the decisions you make will have a direct impact on the game. Replayability The new dynamic AI system has been developed to make every decision meaningful. You'll now need to make quick, intelligent decisions and take the correct action to stay on top of the action. And this is no game you can take a break from. You're constantly in the action, and every decision you make is impacting the game. The decision you make now will affect how the game plays out and creates new game situations. Bigger World The largest World Cup in history is here: up to 64 players in the squad at once, with new stadiums, new player animations, new crowds and new weather. The pitch will really feel alive with atmosphere, crowds and new referee movements. You can enjoy pre-match practice sessions to perfect your skills, then test your FIFA skills in a new tournament mode called "Ultimate Team." (AI and human players in the game can challenge you in this mode.) Each tournament you play in will provide unique gameplay challenges and rewards. New Camera and Control System The game features a refined camera, as well as an all-new control system that better suits the natural movements of players on the pitch. Geoffrey
